OBSERVANCE OF GOLDEN WEDDING
Mr. and Mrs. Manuel J. Fields Had Family Dinner and Received Many Handsome Presents—All Their Married Life Spent Here.
With their children and grand-children gathered about them Tuesday evening at their home, No. 33 Ward street, Mr. and Mrs. Manuel J. Fields observed their golden wedding anniversary in a delightful manner at a family dinner. All were present except Mr. and Mrs. Frank J. Fields, who were detained because of Mrs. Fields' illness. There was a sumptuous dinner, the dining room being decorated for the occasion with palms and yellow and white crepe paper. At 9 o'clock there was a surprise visit from Mr. and Mrs. Simonson of Gloucester, Mass., intimate friends of Mr. and Mrs. Fields. Many beautiful presents. There were numerous letters and cards of congratulation sent them Tuesday evening. There were many beautiful presents. A beautiful diamond brooch was the gift of Mr. Fields to his wife, while they were presented \$50 in gold by their daughter, Mrs. Laura Williams, a gold watch chain and 24 gold pieces were received from friends at the city hall, while a handsome golden bronze loving cup was presented them Tuesday evening. The grandchildren gave them pretty old glass candlesticks, while there were also gold decorated china, cut glass, solid gold studs and other gifts.
Although a family affair, the occasion was one which will be long remembered. During the evening Miss Arline Fields gave a number of pleasing piano selections. Mr. Fields is the popular janitor at the city hall, and they are now and then going to go to the city hall to see him.
Left Astoria Young.
Leaving the Astoria where they were 12 and 13 years old, Mr. and Mrs. Fields came to this country from Fayal, the leading city of the group. When 18 years of age they were married in the city, the ceremony being performed by Rev. Dr. Ashley, pastor of the First Baptist church, which was then in High street. They have spent nearly all their married life here. Mrs. Fields' maiden name was Mary Francis, she being the daughter of the master mechanic at Deane's in Fayal, a big English plant there. In the days of their courtship travel was not as easy as now and the young men did not think anything of rowing from New London to Norwich and return, or walking a similar distance.
Self Supporting Since Nine.
Mr. Fields' father died when he was nine years old, and since that time he has been self supporting. For nearly all his life he has been in the employ of the long to come to this country, where he had two sisters. Upon a certain day he recalls that he saw a schooner flying the American flag drop anchor in the harbor, whereupon he

MANUEL J. FIELDS.
The Thames Iron works, but he soon changed and entered the employ of Gilbert Congdon, who built the city hall, and remained with him until the building was completed, which will be forty years ago May 24, and since that time he has been in the employ of the city. He placed the large bell in the belfry and has been connected with all the work done on the building. Every wire and pipe in the building is known to him and there are many details to be acquainted with in his line. Mr. Fields rendered valuable services at the time of the fire in the Chappell building on Central wharf, when he with other carpenters saved much of the finished material there which was for the interior of the court house. He is one of the most faithful and industrious of city officials.
Married at Eighteen.
Mr. and Mrs. Fields were both 18 years of age when they were united in marriage and both are enjoying excellent health today at the age of 68. Time has dealt easily with them and they will celebrate many more birthdays. Every day Mr. Fields is at his post, and in addition his spare time is devoted to his household, he being an expert in the cultivation of flowers. He is a member of Uncas lodge, No. 11, I. O. O. F., and Palmyra chapter, No. 2, I. O. O. F., of this city.
All of their five children reside here, and they are all well. Their son, Daniel J. Fields, Mrs. Manuel Damas and Mrs. Laura Williams. There are four grandchildren, and Mr. Fields has one sister, Mrs. Frank Silva, of Taunton, and two brothers who are at sea.

BAPTIST MINISTERS MEET
IN NORTH STONINGTON
Monthly Meeting with Addresses by Rev. A. B. Coats and Rev. J. L. Peacock.
The New London County Baptist Ministers' conference held its March meeting with the Third Baptist church in North Stonington, on Monday, convening at 11 o'clock a. m. The snow storm somewhat diminished the attendance. Those present were as follows: Rev. A. B. Coats, D. D. of Hartford, superintendent of Baptist state missions for Connecticut; Rev. J. G. Stanton of Moosup, Rev. W. Potter of Jewett City, Rev. L. W. Frink, J. R. Very and J. L. Dennis, accompanied by Mrs. Dennis, of Norwich; Rev. C. M. Reed of Lyme, Rev. H. B. Rankin of Noank, Rev. O. G. Buddington and Rev. J. C. Mann of Mystic, Rev. G. B. Marston of Stonington, Rev. J. L. Peacock of Westerly, Rev. William Quayle of the Second Baptist church of North Stonington, Rev. J. H. Adams, pastor, Rev. Lucian Drury, pastor emeritus, of the enterprising church, and Rev. P. M. Hillister, pastor of the Congregational church of North Stonington.
Both the convocations expected failed to put in an appearance. At the morning session Rev. Dr. A. B. Coats spoke of the state work. In the afternoon, Rev. J. L. Peacock, who belongs to the ever ready and ever willing corps, kindly helped out by giving an account of the meeting of the Religious Education association recently held in Providence, which he attended. The conference was entertained at the ever ready and ever willing dinner by the ladies of the church at the house of Mrs. W. H. Hillard. The menu included cold boiled ham, hot roast beef, winter vegetables, pickles, bread and butter, mince, apple and pumpkin pie and coffee. The main plate was made from a mammoth light skinned pumpkin, which took a first premium at the North Stonington fair last September and was grown by Rev. Lucian Drury in his garden. Rev. H. B. Rankin made a neat little address, Mr. Peacock thanking the church ladies for their hospitality. The invocation was made by Rev. F. M. Hillister.
He made his home here for many years and was employed as mule spinner in the Fowenham mill. He had a fine circle of friends in this section and his death will be mourned by all.
Personals.
Mrs. Raymond Charter of Merchants avenue is recovering from an attack of the grip.
Mrs. Nelson Greenwood has removed from New Bedford to Tatfville and will make her home with her daughter, Mrs. Fred Normandy on South B street.

THAT AWFUL BACKACHE
Cured by Lydia E. Pinkham's Vegetable Compound
Morton's Gap, Kentucky—"I suffered two years with female disorders, my health was very bad and I had a continual backache which was simply awful. I could not stand on my feet long enough to cook a meal's victuals without my back nearly killing me, and I would have such dragging sensations I could hardly bear it. I had soreness in each side, could not stand tight clothing, and was irregular. My back was completely run down. On advice I took Lydia E. Pinkham's Vegetable Compound and Liver Pills and an enjoying good health. It is now more than two years and I have not had an ache or pain since. I do all my own work, washing and everything, and never have the backache any more. I think your medicine is grand and I praise it to all my neighbors. If you think my testimony will help others you may publish it."—Mrs. OLIVER WOODALL, Morton's Gap, Kentucky.
Backache is a symptom of organic weakness of the system, and you get permanent relief only by reaching the root of the trouble. Nothing we know of will do this so surely as Lydia E. Pinkham's Compound.

That Feeling Of Fullness
Stuart's Dyspepsia Tablets
When you take food into a stomach that is tired and over-taxed the gastric juices do not form fast enough to digest it properly. So the food becomes sour and at once begins to throw off gases. Your stomach becomes inflated just as surely as if you attached a toy balloon to a gas jet. Then the gases and food odors issue forth and pollute your breath making you an object of nausea to your friends. Your tongue quickly becomes coated and you can taste the foulness that is within you. Now all this condition is changed almost instantly by a Stuart's Dyspepsia Tablet. This little disaster gets busy at once—supplies all the digestive juices that were lacking—digests the food to a jelly and opens up the clogged stomach and bowels. It also sweetens and refreshes the mucous lining of the stomach and bowels and restores peace and content.
If you will give Stuart's Dyspepsia Tablets a trial you will not only sweeten your stomach but also your disposition and you will never have another stomach ailment.
One grain of a single ingredient in Stuart's Dyspepsia Tablets will digest 2,000 grains of food. This saves your stomach and gives it the rest it needs. All muscles require occasional rest if they are ever over-taxed. The stomach in no respect is an exception to this rule. Try a box of Stuart's Dyspepsia Tablets and you will wonder how you ever got along without them. They are sold at 50 cents by all druggists everywhere. A trial package will be sent free on request to F. A. Stuart Co., 150 Stuart Street, Marshall, Mich.
